

Helping K-12 communities provide safe, secure, and equitable education – *effortlessly.*

At Lightspeed Systems® our mission is your success. In 2024 we are celebrating 25 years of keeping students safe. Each day, month, and year we find ways to better our partnership with you. We continue to listen and innovate to meet your needs for technical support, success and adoption of products, and product innovation that respond to your needs.

Lightspeed Filter™

Lightspeed Filter provides precision filtering for schools to safeguard users faster, with the most complete web content filtering solution in the market across Chrome, Windows, iOS, & Mac, on and off network. Product innovation is focused on improving ease-of-use, proactively addressing security vulnerabilities and sneaky students, and helping save time when deploying agents and troubleshooting.

Lightspeed Alert™

Lightspeed Alert plays an important role in promoting a proactive student safety culture through early identification and intervention. Continuous fine tuning of AI/ML models improves accuracy with a focus on understanding context around a specific phrase to accurately assess level of concern. Roadmap features focus on expanding coverage and improving workflows to improve efficiency.

Lightspeed Systems Renewal Pricing for North America Division of Seventh-day Adventists (NAD)

Lightspeed Systems is offering special pricing for all NAD schools interested in renewing their Lightspeed product licenses this year, including further discounts for multi-year agreements. You may also take this opportunity to evaluate other Lightspeed products to complement your district's resources.

Our client success team has made it very simple and easy for you to submit your renewal request and to add new products.

How to submit your renewal request

1. Reach out to Eric Cieslinski at: ecieslinski@lightspeedsystems.com to request a quote
2. Review the quote and if in agreement with the new rates, respond to Eric and orders@lightspeedsystems.com, with a Purchasing Order (PO) attached. Please refer to the next page to find the PO template. The PO must include:
 - Lightspeed Systems' full physical address: *12013 Fitzhugh Rd, Austin, TX 78736*
 - Your school or district's email address
 - The contact information of the individual responsible for receiving the invoice
 - The correct SKUs being renewed or purchased.
 - Please make sure the SKU numbers on the quote match the product on the PO, for example: write FLTR-1 as that represents our Filter product at a 1-yr term.

Looking for Additional Support?

Check out our product training options available here [here](#).

OR

Open a support case in the [customer portal](#). Please allow up to 2 business days for a response from technical support.
